Potomac Distilling Company houses a three-story Polynesian-style Tiki bar, Tiki TNT, which draws inspiration from Thrasher's countless rum-sodden adventures throughout the South Pacific and West Indies during his time as a scuba dive master and instructor. The complex houses the urban rum distillery, which produces four varieties of Thrasher's Rum – White, Spiced, Coconut, and Green Spiced, a one-of-a-kind botanical blend made to impart flavors of gin with herbs grown on the distillery's rooftop garden.
