Menu	In the vision of Chef/Owner Jenn Crovato, 1310 thoughtfully combines comforting, eclectic American cuisine with healthy Mediterranean influences. Our menu spotlights a seasonal selection of salads, vegetables, fish, steak, and side dishes, along with a variety of pasta options as well. Wine & cocktails are part of the 1310 experience, with by-the-glass selections gracing the menu at all times. A parade of spirit-forward, expertly-crafted cocktails change seasonally, as do a collection of tap and bottled be.
Venue	1310 Kitchen & Bar is a neighborhood restaurant, wine and cocktail bar located in the heart of Georgetown. The restaurant's design evokes a bright casual elegance of the quintessential American restaurant with cozy booths and retro glass dividers to give a cool vibe. I chose to recognize great women in music by featuring amazing female artists on the walls as my way to honor and celebrate them. One of the highlights of 1310 is our windows! If you walk down Wisconsin Avenue, it's hard not to notice the writing and quotes on the windows. Originally inspired by our coffee, Julius Meinl, a supporter of poets, we decided to put poetry on our windows, which quickly turned into positive, inspirational, motivating quotes.
