Menu

Mussel Bar & Grille takes the humble Flemish simplicity a step further, to a rustic extreme. It was inspired by the old-world roadhouses in Brussels where chef Robert Wiedmaier and his fellow cooks used to go to kick back and relax, “eating mussels, drinking beer, and listening to rock and roll into all hours, before we had to head back to the kitchen,” he reminisces fondly. It serves, salads, soups, sandwiches, hearty entrees, and – of course – Mussels & Frites. Wiedmaier’s signature Mussels range from the *White Wine with Roasted Garlic, Parsley, Cream & Lemon* to *Provencal with Farm Tomatoes, Garlic, Cream, Parmesan, Capers & Basil*. Mussel Bar also runs daily specials [listed on their Facebook page].

Beer & Spirits

In keeping with its culinary theme, Mussel Bar & Grille offers Belgian beers, eight of which are on tap, including, *Antigoon* by Robert Wiedmaier. It also has a select wine list with roughly a dozen red and white wines, and signature cocktails such as the *Black Irish* with *Black Bush Irish Whiskey*, and *Shiner's Ruby Red-Ginger Beer*.

Venue

The inspiration for Mussel Bar & Grille is an old-world Belgian roadhouse with an industrial-chic edge. Polished concrete floors, bare-bones industrial lighting panels of rusted metal and rustic wood wainscoted walls add to the “no-frills” vibe. The spacious restaurant is anchored by a large bar equipped with flat screens that make it a prime venue for catching a match or Raven’s Game.

Seating Capacity

The dining room seats 250 with an additional 40 at the bar. The private dining room can accommodate parties of up to 35 seated or 40, for cocktail events.
