The vineyard's terroir has outperformed Thomas Jefferson's wish with the region's best grapes producing exceptional wines.

Anchoring the Monticello AVA (American Viticultural Area), Pippin Hill is a member of the Virginia Winery Association and the Monticello Wine Trail. As the brainchild of proprietors Lynn and Dean, the couple have a combined wealth of professional experience in luxury properties and bespoke events, and Pippin Hill represents the marrying of their complementary talents, in a place they love—the undulating green hills of Virginia's wine country.

### **Private Events**
